Check-in at Glacier Raft Company in the Village of West Glacier ½ hour prior to trip departure. This is our regular ½ day whitewater trip followed by a riverside BBQ prepared by the river guides. Bring along dry clothes in a separate bag and leave them at the check-in desk when you check in for the trip. Your clothes will be brought to the dinner site for you. After your whitewater adventure, the trip continues past the West Glacier bridge for ¼ mile to our private dinner site. Guests will have a chance to change into dry clothes while the guides start preparing dinner. Standard dinner is western sirloin steaks (6 oz.), salads, veggies, dessert and beverages. With advance notice, we can also have available boneless chicken breasts or garden burgers.

Shuttle by bus to Moccasin Creek river access, 8 miles up river. Trip starts with brief trip description and safety talk by guides. Raft through the John Stevens Canyon of the Middle Fork of the Flathead River¹ along the southern border of Glacier National Park. Trip includes 9 named rapids, mostly Class II and III whitewater (medium whitewater with numerous waves, narrow passages, eddies and bends), including Tunnel and Jaws. Watch for our photographer at Bonecrusher and be sure to view your digital photos after the trip! The trip ends after dinner with a short bus shuttle back to our office in West Glacier, your car and a chance to purchase trip photos and souvenirs!

Wear shoes and clothing you don't mind getting wet (swimsuit or shorts and T-shirt in warm weather, fleece pullover in cool temperatures – avoid cotton) and have dry clothes in your car to change into after the trip. Bring only waterproof disposable cameras and water in plastic bottles.

Wetsuits provided at no additional charge when weather or water conditions require their use. Also available for rent for \$10 including booties. Booties available for rent for \$3.
